

Parent Information Night

Let's Talk about the IEP Process!!

*Thursday, October 20th, 5-6 PM
Woodside Elementary School, Topsham*

Join the MALT team and MSAD#75 Parents for an evening of discussion about the IEP (Individual Education Plan).

We will be presenting about the IEP process and also answering any questions that you may have!

We also are looking forward to having a few parents available with experience with elementary, middle, and high school IEPs.

Come learn about the IEP and make some new, valuable connections with staff and families! Join us!

REMEMBER: Be sure to RSVP with Barbara (piccirillob@link75.org) or Carlie (lochnerc@link75.org) by October 17th to save your seat! Childcare is provided. Please include any children attending when you RSVP. Cancellation: this session may be cancelled, if there are not enough participants registered by October 17th. Thank you.

***These talks are brought to you by MALT and are open to caregivers of children with special needs across the district. The sessions are intended for those caring for children with a variety of special needs, including but not restricted to autism.*
